A first floor single bedroom flat in this now well established residential location literally on the doorstep to the High Street. Double glazed, heating and hot water are both electric and the flat is in good order. Well suited to a single occupier or young couple, due its proximity to the High Street and the fact a long term lease could be offered this would make it suitable as a retirement property. Being first floor there are no gardens to maintain and parking is available on the front street. Available very shortly - viewing by appointment through ourselves.
