Literally on the doorstep to the High Street (well OK—backdoor) we have TO LET this one bedroom ground floor flat. Of very modern construction the flat is double glazed, heating is a modern electric (radiator system) and the flat is available on an unfurnished lease with a long term available to a suitable applicant. Excellent condition it locates onto the Applegarth Car Park just to the rear of the High Street therefore this is a busy location although much quieter at night. Ideal for a single occupier and at ground floor level would make an ideal retirement property. Available for viewing now by appointment.
