One of the most attractive flats we have offered for a long time. A single bedroom first floor older style property located just off the High Street at the northern end, indeed close to our own offices. The owner has spared absolutely no expense in creating this very high quality property. Double glazed and gas centrally heated this is further assisted by Solar panels, The kitchen and bathroom are both a 'Wow' specification, everything, window sills, skirting, doors are again all to a very high quality. We are seeking a single professional occupant looking for a quality home easily accessible to the towns facilities, Local Hospital, County Hall or the Main Council Offices. View strictly by appointment.
